Dear Mr. Alderson:

We are returning to you herewith 3 signed and approved copies of DPS-19 on the:

History of Pocahontas County

Two copies are held here for the Washington office files.

Under Section 5 we have added the phrase "and a copy to the Director of Finance, Washington, D. C." which your mimeographed form does not carry, and which our procedures ask for. Please insert this on all future forms.

Under Section 12 we have added our usual parenthetic phrase (35 copies are to be sent to the Washington office). We have also corrected the number of free copies from 10 to 50, in accordance with G-5. These changes have been initialed by us; we hope they will also meet with your approval.

Sincerely yours,

Dear Mr. Crawford:

After consultation with the County Court and the Board of Education a decision has finally been reached regarding the proposed recommendation for the Writers' Project.

S. G. Smith, Hillsboro, W. Va., and Roscoe Brown, Greenbank, W. Va. have accepted the job. I think that these men will do good work on this project.

I am very sorry that we have delayed in answering your letter, but it has been difficult for the County Court and the Board of Education to select someone for this project.

Sincerely yours,
